FSC (Forest Stewardship Council) POLICY

MD PAPÉIS LTDA is fully committed to accomplish its commercial practices to assure that the wood used in the raw-material for the production of the product "Monopack" should not be included in any of the following categories:

- Wood cut down illegally;
- Wood cut down violating the traditional and civil rights;
- Wood cut down in forests where high conservation values are threatened by administrative activities;
- Wood cut down in forests that are being transformed into plantations or for non-forest use;
- Wood originated from forests in which genetically modified trees are planted.
